## Health & Safety Policy Statement

**Heaton Moor Golf Club Ltd.** will, as far as is reasonably practical: -

- Make proper provision for the Health, Safety and Welfare of its employees and others who may be affected by the Club's activities.
- Maintain the Course, Clubhouse and environs in a safe and risk free condition.
- Undertake risk assessments on all existing and new activities with the objective of reducing or eliminating risk.
- Specify safe arrangements for the use, handling, storage and transportation of articles and substances, which are potentially hazardous.
- Provide and maintain Personal Protective safety Equipment as necessary.
- Provide and maintain equipment and work practices that are safe and without risk to health.
- Provide the appropriate written instructions, practical training and supervision to discharge our Health & Safety obligations.
- Respond to any Health and Safety related issues raised by employees or members.
- Ensure our activities have no adverse effect on public health or the environment.
- Provide adequate funding to discharge our Health & Safety obligations.
- All employees are expected to accept their responsibility to work safely, adhering to safety rules and work procedures, using safety equipment provided and generally to contribute to the maintenance of safe and healthy conditions.
- Members and employees are expected to report to their Line Manager or Committee Member as appropriate, any potential unsafe conditions observed on the course, in the clubhouse, or its environs.
- Responsibility for ensuring compliance with this Policy and supporting documentation lies with the General Committee.
- Responsibility for implementation, supervision and compliance on a day-to-day basis lies with the General Committee and appointed members of staff, and they are held accountable for the operations within their control.
- Members and Employees have personal responsibility for safeguarding their own Health and Safety and the Health and Safety of others at all times.
