

# HEATON MOOR GOLF CLUB

February 2019

## Clubhouse

### Final Friday

Friday the 25th January saw the Clubhouse packed for Dave Lynane and his Jazz Quartet. It was fantastic to see so many members supporting this FREE event.

Our next event on Friday March 1st from 8.00pm with The Bridgebeats. They are a fantastic 5-piece Group who have been together for over 30 years, Their set has a fantastic set of songs and this is one event not to be missed.

Look out for posters for this night going up later this month and make sure you join us for what is sure to be a great night- and its FREE!!

### Gents Outside Toilet

The toilet in this facility has finally been replaced. Apologies for the delay in doing this but Christmas and New Year holidays stopped us doing it earlier.

### Clubhouse Group

At our first meeting last week we started work on our refurbishment/improvement plans for 2019 and lookout for news on these works as the year progresses

### Bar

January has started well with takings up on last year despite the weather interruptions.

Our Brewery negotiations are nearing completion and we will update you on our plans in next month's Newsletter.

Charlie and Naomi have left our employment to take up roles at Pale the new bar on Shaw Road. We would like to thank them for their efforts for us and wish them well in their new roles.

This means we are still looking for Bar Team Members and if you know of anyone over the age of 18 looking for some work then ask them to contact Simon Wetton with their CV

### Catering

Lee has started his treatment for his illness and thankfully he is not suffering any ill effects from the medication. We continue to work with him to ensure his work life balance is not impacted by his efforts for us.

Monday opening of the Kitchen for service will be delayed until the start of the Summer season.

## Membership + Marketing

TV

We have upgraded the TV in the Bar Lounge to a 'smart' unit. This allows us to display promotional messages about the Club and it's sponsors during the day. We are therefore selling the old 48" Samsung TV from the lounge. Offers over £50 are invited. The TV is in good working order but will need to be wall mounted.

TEE MARKERS

We are pleased to welcome four new tee marker sponsors. Netl Website Design & Printing, Caritas Wealth Management, Hol-Med Osteopathy and La Torre (holiday apartment at La Torre Golf, Murcia).

COACHING

Coaching is going well. It's a sell out for the juniors and 7 out of 8 for the adults. There is more group coaching in March and you can book online at [www.bookwhen.com/hmgc](http://www.bookwhen.com/hmgc)
